The foregoing material is intended as a general description of certain types of insurance coverages and services. Any discussion herein is not intended to create a promise or binding statement of coverage for a specific claim or claims, as coverage for any claim depends on factors that include (but may not be limited to) the facts and circumstances of the claim, the language of the applicable policy of insurance and the applicable law. Please refer to your insurance policy or consult with your independent insurance advisor for specific information about coverages, terms and conditions.
